We are a totally comprehensive manufacturer of podiums and lecterns, as well as ballistic resistant furniture. From design and engineering through final production, each one of our fine products is exclusively and solely ours. We begin with indigenous raw materials and American Made components, such as our specially designed EWP207 Lectern Amplifier, and with the minds and hands of highly experienced Master Lectern Builders, we produce incomparable products.

We monitor the quality of the materials and workmanship at every stage of the manufacturing process. We employ old world techniques and standards and meld them with cutting edge technology.

Next we apply the finest, most durable finish in the industry following a scientific process while protecting the environment. We use state-of-the-art High Volume Low Pressure (HVLP) spray equipment and hand sand between coats.

Finally, our 35+ year relationship with the best box manufacturer in the industry provides carefully engineered packaging that protects our Lecterns and ensures that when they reach you they are absolutely perfect in every way.

We know you will be thrilled with your purchase and we guarantee our Lecterns for life. Our satisfied customer list is long and ongoing, every week more schools, universities, hotels, municipalities, government agencies, banks, individual consumers, restaurants, stores, and store chains add their name to our list.

Executive Wood Products is located at 230 East Springfield in Sullivan, Missouri
Serving our Government since 1982
Counselor (CLR235)

Our Top Selling Product!

The Counselor is one of our top products and it is easy to see why. This podium simply has the “Perfect Feel” about it. Whether it is the combination of features developed by our E-Team designers or the beautiful solid wood used to build it, the Counselor has a presence that cannot be denied.

Features

- Choice of wood species (Cherry, Oak, Walnut, or Mahogany)
- Classic square raised panel construction
- Drop Down Work Surface – angled for lecture or flat for laptop computer use
- Work surface also lifts for easy access to storage
- Hidden rear casters
- Fixed shelf in podium column for additional storage space
- Grommets throughout for wire / cable management
- Dimensions: 26.5”w x 22”d x 47.75”h
- Easy “No Tool” assembly
Counselor Evolution Lectern/Podium  
(CL235-EV)

The only way that we could improve upon the Counselor was to add the best sound package in the business. The Counselor Evolution w is a portable stand alone presentation center requiring no external cables or wiring.

Shown in Cherry with natural finish.

Features

- Choice of wood species (Cherry, Oak, Walnut, or Mahogany)
